## Barber On Main Opens Its Doors *An updated barber shop for a modern lifestyle*

Ron Sisbarro, the founder of Barber On Main, has made his dream of creating a modern barber shop a reality. Opening his own business gave Sisbarro an opportunity to design a new location combining the best qualities of a salon and a barber shop. "I've wanted to open a barber shop for sometime now—to make a place where people want to hang out, listen to music, watch TV or flip through a magazine."

Sisbarro graduated as a Barber Stylist from Bullard Havens Technical School in Bridgeport, Conn. During his career, Sisbarro has worked as a barber in salons located in Trumbull and Shelton, Conn. His list of clientele has been growing for over 28 years. "It's not just a list of clients, it's a group of friends. I'm passionate about my profession and I'm looking forward to building a reputation as a hometown barber shop with exceptional style and service."

Barber On Main offers all styles of mens and boys haircuts, 5 days a week.
